

## **Titan Logix Corp. Reports Voting Results of Election of Directors**

Edmonton, Alberta, January 21, 2021 – Titan Logix Corp., (TSX Venture: TLA) ("Titan" or the "Company"), a technology company specializing in advanced technology fluid management solutions announced today that at its annual general meeting of shareholders held on January 21, 2021 (the "AGM"), each of the four nominees proposed as directors were elected as directors.

A total of 14,529,998 common shares, representing 50.9% of the votes attached to all outstanding shares as at the record date for the meeting, were represented at the AGM. The detailed results of the voting for each resulting nominee are as follows:

| <b>Nominee</b>  | <b>Votes For</b> | <b>% Votes For</b> | <b>Votes Withheld</b> | <b>% Votes Withheld</b> |
|-----------------|------------------|--------------------|-----------------------|-------------------------|
| S. Grant Reeves | 14,375,517       | 99.2%              | 121,330               | 0.8%                    |
| Helen Cornett   | 14,327,600       | 98.8%              | 169,247               | 1.2%                    |
| Victor Lee      | 14,375,517       | 99.2%              | 121,330               | 0.8%                    |
| Alvin Pyke      | 14,431,658       | 99.6%              | 65,189                | 0.4%                    |

All of the matters submitted to the shareholders for approval as set out in the Company's Notice of Meeting and Information Circular, both dated December 7, 2020, were approved by the requisite majority of votes cast at the AGM.

Subsequent to the annual meeting of shareholders, the newly-elected board of directors of Titan (the "Board") appointed Grant Reeves as Chairman of the Board. Additionally, the Board appointed Helen Cornett (Chair), Victor Lee and Grant Reeves as members of the Audit Committee and appointed Victor Lee (Chair), Grant Reeves and Helen Cornett as members of the Executive Compensation and Corporate Governance Committee.

### **About Titan Logix Corp.:**

Titan Logix focuses on providing data driven solutions for Supply Chain Management (SCM) of goods and service supplied to the oil and gas, transportation and construction industries. Titan's telematics products enable data from its mobile level sensor technology to be collected, managed and packaged for business intelligence and control.

Titan's products are designed to be a part of a complete SCM solution. The ultimate solution consists of Titan's products integrated with best-in-class data management to enable end-to-end Internet of Industrial Things (IIoT) solutions for its customers' SCM.

Founded in 1979, Titan Logix Corp. is a public company listed on the TSX Venture Exchange and its shares trade under the symbol TLA.

Information in this press release that is not current or historical factual information may constitute forward looking information within the meaning of securities laws. Implicit in this information are assumptions regarding our future operational results. These assumptions, although considered reasonable by the company at the time of preparation, may prove to be incorrect. Readers are cautioned that actual performance of the company is subject to a number of risks and uncertainties and could differ materially from what is currently expected as set out above. For more exhaustive information on these risks and uncertainties you should refer to our Management Discussion and Analysis in respect of the year ended August 31, 2020 which is available at [www.sedar.com](http://www.sedar.com). In addition, the occurrence of pandemics, such as the recent outbreak of the novel coronavirus COVID-19 in any of the areas in which the Company, its customers

or its suppliers operate could cause interruptions in the Company's operations. In addition, pandemics, natural disasters or other unanticipated events could negatively impact the demand for, and price of, oil and natural gas which in turn could have a material adverse effect on the Company's business, financial condition, results of operations and cash flows. Forward-looking information contained in this press release is based on our current estimates, expectations and projections, which we believe are reasonable as of the current date. You should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While we may elect to, we are under no obligation and do not undertake to update this information at any particular time, whether as a result of new information, future events or otherwise, except as required by applicable securities law.
